Nursery School and Wraparound hours and fees are currently being reviewed and an update will be provided to parents shortly.

Notes:

- There are three terms in an academic session. The Governors expect that this fee scale shall apply throughout the session but reserve the right to alter fees without notice should exceptional events outside their control justify such a step.
- Morrison's Academy tuition fees are inclusive of textbooks, stationery, external examination fees, sports and curriculum related travel, provision of lockers and, for all Secondary pupils, lifetime membership of the Morrisonian Club.
- Fees for individual music tuition during this session will be £18.00 per weekly half-hour lesson.
- Where 3 or more children are enrolled co-terminously, families will be awarded the following sibling discounts:

3 rd Child at School	-	25% discount
4 th and subsequent children	-	50% discount

These discounts are applicable to all years from P1 to S6 but exclude Nursery.

- All three to four year olds in Scotland are entitled to 1140 hours per year of funded (free) Early Learning and Childcare (ELC). At Morrison's Academy Nursery the ELC 1140 funding is available for up to five sessions per week (30 hours per week) during term-time (38 weeks per year) for children meeting the age eligibility criteria.

PAYMENT OF FEES AND CAPITAL LEVY

Fees and Capital Levy may be paid in advance by bank transfer or direct debit. We no longer accept cheques or cash as payment.

Monthly Direct Debit

This scheme permits up to 12 regular monthly payments to be made by direct debit from a United Kingdom bank account, commencing on **1 July**, with each payment being made as specified in your direct debit notification. Instalments will include an annual direct debit administration charge of £30.00 per pupil and an annual invoice will be raised in August.

Termly Payment

Fees and Capital Levy being paid on a termly basis will become due on the first day of each term: **17 August 2022, 11 January 2023 and 18 April 2023**. No administration fee is applied to termly direct debit payments and an annual invoice will be raised in August.

Annual Payment

A discount of 1.5% off the standard annual fee and Capital Levy is currently offered for payment of the full annual amount due, **provided payment is made by the first day of the session, 17 August 2022**. No administration fee is applied to annual direct debit payments.

Fee arrears:

1. **A charge of 4.5%** above the prevailing standard annual bank base rate will be levied per month or part thereof on all unpaid fees. This charge will be applied to **any** outstanding account after the due payment date until payment is received.
2. The Governors reserve the right to require any pupil whose fees are in arrears to remain out of School until due payment is made.
3. An **administration charge of £15.00** shall be applied to the fee account for the return of cancelled or referred cheques, or where there are insufficient funds to honour a direct debit payment.

NOTICE OF WITHDRAWAL

Notice of intention to withdraw a pupil from the school at the end of a term must be submitted to the Rector **in writing** a full term in advance (i.e. on, or before, the first day of that term). For example, for term 1, which ends at Christmas, notice would be required on, or before, the return to school from summer holidays.

Should the required notice not be given, parents/guardians agree to remain liable for the following term's fees. Notice of withdrawal is not required for pupils in S6 who will be leaving at the end of the session.

Nursery notice of intention to withdraw a child must be provided **in writing** to the Finance Manager four weeks in advance.

SCHOOL FEES PROTECTION SCHEME

Morrison's Academy is registered in a national tuition fee protection scheme, underwritten by Marsh Ltd. Participation in this scheme is encouraged; however, it is entirely optional and parents may "**opt in**" by marking the appropriate box on the attached parental declaration. A leaflet explaining the nature of the cover is available on request. Current premiums, which are subject to change by Marsh Ltd from time to time, are as detailed below, and these are incorporated into the fee invoice(s) where cover is requested.
