

Morrison's Academy Holiday Camps - Easter 2023

Nursery Holiday Camp

Children learn best when they are at play and there will be plenty of time during the Nursery Holiday Camp when they can play, explore, investigate and imagine! We like activities that will ignite curiosity, celebrate children's ideas and encourage positive relationships with other children.

Our Nursery Holiday Camp is available for children aged 2 - 5 years old. Each camp is 5-days from 09:00 - 16:00 and will cost £150 per child, per week. Children should bring a packed lunch and any snacks and water they need for the day.

Dates available:

Monday 03 April - 5 day camp

STEM Squad Holiday Camp

This Easter we will be running a 4 day interactive STEM Camp from 10:00 - 16:00 each day. The Camp, available to all kids in Primary 6 to S1 school years, will be full of exciting experiments and extraordinary demonstrations!

Our STEM Squad programme is designed to give pupils the opportunity to try science experiments using Morrison's Academy's specialist science resources. Attendees will explore Engineering, Chemistry, Coding, Biology and Physics through experiments and activities. The hands-on programme will encourage them to ask questions, make observations and develop hypotheses.

No previous experience is required and all abilities will be catered for! The cost of the 4-day course is £130 per child.

Dates available:
Monday 03 April - 4 day camp

Climbing & Mountaineering Camp

This Easter holiday we are offering the opportunity for children to participate in a four-day Climbing and Mountaineering course. Participants will be trained and supervised by qualified instructors, covering skills they need to go climbing indoors, outdoors and even in the mountains. There will be more than one group so climbers with any level of experience will be accommodated.

The exact programme will depend on the participants' abilities and the prevailing weather conditions but we will aim to split the week between rock climbing on local crags and going out into the mountains.

This is 4 day camp costing £150 per pupil, from 09:00 until 17:00 each day.

Dates available:
Monday 03 April - 4 day camp

Multi-Sports Activity Camps

Based at Morrison's Academy's main campus, attendees will participate in two different activities per day. Each week will be slightly different but participants can expect to enjoy swimming, athletics, badminton, basketball, bouldering, capture the flag, dance and gymnastics, dodgeball, football, hockey, kwik cricket, netball, rounders, softball, tennis, tig (and every variation!) and touch rugby. We will also make the most of our central Crieff location, utilising our Dallerie playing fields, Macrosty Park or walks up the Knock.

Due to the nature of the activities planned, participants must be a current primary age. The camp will begin each day at 10.00 and finish at 16.00. Pupils should bring a packed lunch, snacks and water for the day. The cost is £150 per pupil and will include a souvenir of their week at the camp.

Dates available: Monday 03 April - 5 day camp
