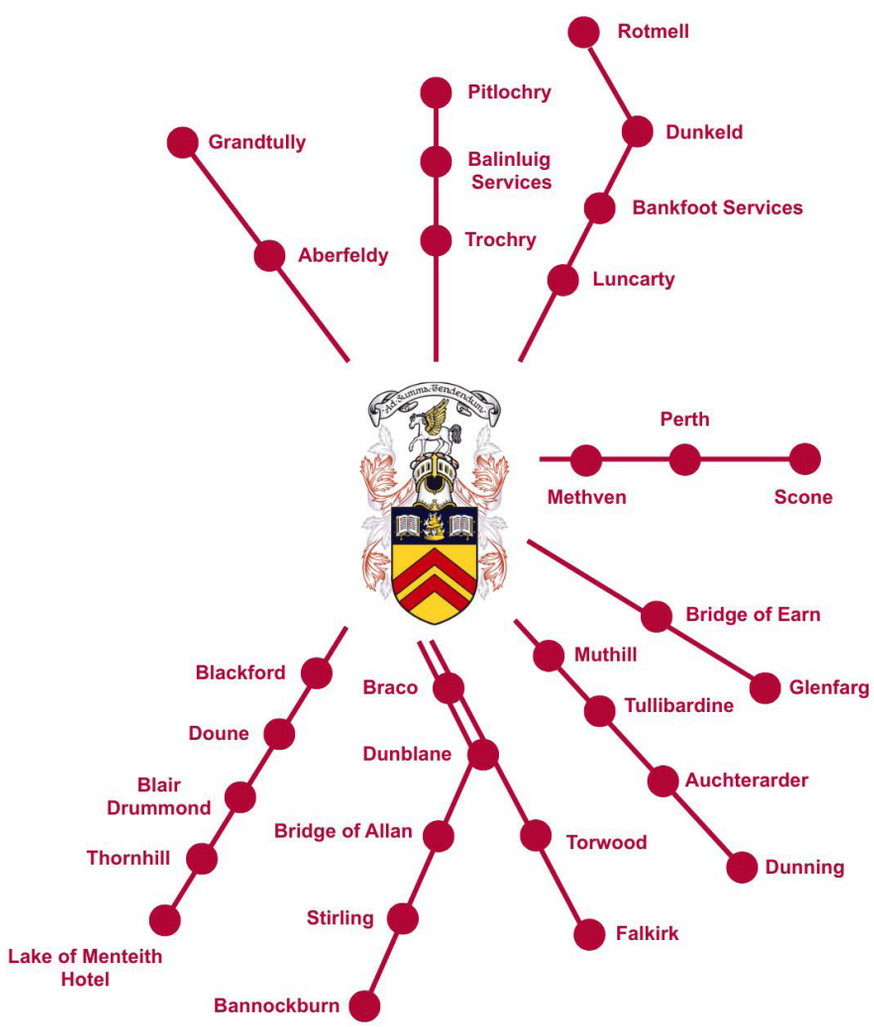
TRANSPORT

Morrison's Academy's campus in Crieff is located in the heart of Perthshire.
We have extensive bus routes throughout our catchment.



Our Buses

Children on our buses are guaranteed a seat. All buses used by the school are fitted with 3-point seatbelts. The buses pick-up and drop off within the school grounds or at the school gates on Victoria Terrace. For those leaving the school's sports campus at Dallerie, a pick-up is available from there.

Daily Travel Arrangements

It is essential that pupils turn up at the published collection time. Drivers must leave at the allocated departure time to ensure that pupils arrive at school on time.
Pupils will always be given the opportunity to phone home if there are any significant alterations to expected times for arriving home.

Adverse Weather

In adverse weather conditions and/or road closures which are beyond the control of the school and the bus company, parents will be communicated to by SchoolPost emails or texts with regards to any change to travel arrangements.

Bus Charges & Requirement Amendments

Bus fee charges are established on the basis of five return journeys per week. Should you opt to pay fees termly, the annual bus charges will be apportioned equally between the three terms and an adjustment made should the need arise. Withdrawal from the use of our bus service can be requested on a termly basis. Fees paid a term in advance will be refunded but the current termly fee will be chargeable and not refunded.
